

WHERE WE LIVE:

ACTIONS WE WANT TO TAKE:

Signing a petition

Emailing a decision maker

Sharing reports with family and friends

Sharing content on social media

Meeting with local MPs

Attending training on speaking about climate change

Speaking to our local communities

Participating in a fun-run

Volunteering in our office

Holding a fundraising event

ISSUES WE CARE ABOUT:

Championing renewable energy solutions

Educating Australians on climate change and extreme weather

Protecting the Great Barrier Reef

Celebrating good news stories on local leadership

Fighting for coal closure

HOW WE'RE GOING TO GET THERE:
