

# SHOPPING LIST

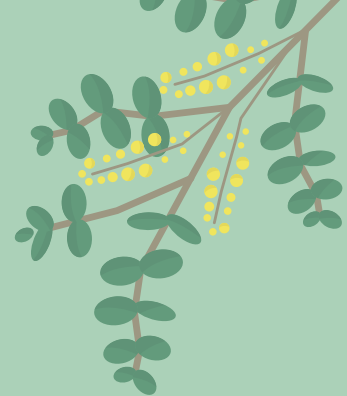

Host your own renewable-powered feast this festive season! This shopping list will get you started, showcasing some of the Australian and New Zealand food and beverage producers who are using renewable energy as a way of cutting their greenhouse pollution - and their power bills.

Name	Where	What	Type	Link	
Fruit and Vegetables					
	Sundrop Farms	Port Augusta, SA	Tomatoes	Solar thermal	<a href="http://www.sundropfarms.com/sundrop-system/">http://www.sundropfarms.com/sundrop-system/</a>
